Professional Experience

Stanbic Bank | Gaborone, Botswana

April 2024 – Current

Team Leader, Customer Service

Through this role, I have successfully accelerated and molded my overall professional and I demonstrate my competencies by executing the following duties;

- Demonstrated involvement in driving new business growth through reactive selling and intentional utilization of referral networks to give leads to Customer Sales Consultants.
- Managing system access for all branch employees, ensuring smooth operations and security compliance.
- Working hand in hand with the branch management team to manage workload, optimize client queues, and ensure customer satisfaction.

- Successfully filled in for the Branch Manager, Head of Support Service, and Team Leader Tellers during their absence, ensuring continuity of operations and maintaining high service standards.
- Assigned additional responsibilities as Digital Champion, Fire Marshal, and Business Continuity Champion for the branch, enhancing digital literacy, safety protocols, and operational resilience.

Xavier Africa Technologies (Pty) Ltd | Gaborone, Botswana

March 2024 – March 2024

Business Analyst

- Spearheaded initiatives to drive business growth by managing the tendering processes and leveraging referral networks to significantly expanding the customer base.
- Optimized requirements gathering processes to enhance the sustainability and success of operational projects.
- Conducted comprehensive market analysis to stay abreast of trends, economic developments, and industry regulations, providing actionable insights for operational strategies.
- Collaborated with cross-functional teams to ensure seamless execution of operational plans and strategies, fostering effective teamwork.
- Maintained the highest ethical standards and ensured compliance with industry regulations in all operational activities

deVere Acuma Botswana (Pty) Ltd | Gaborone, Botswana

June 2023 – August 2023

Financial Coordinator | Business Development Associate

- Demonstrated involvement in driving new business growth through assertive cold calling and strategic utilization of referral networks to significantly broaden the customer portfolio.
- Developed and maintained strong customer relationships by implementing effective customer relationship management strategies, resulting in superior client satisfaction and retention.
- Remained well-informed about market trends, economic developments, and industry regulations to provide current and valuable financial advice and insights.
- Collaborated with cross functional teams to flawlessly execute financial plans and strategies for clients, ensuring seamless collaboration.
- Preserved the highest ethical standards and compliance with industry regulations in all financial advisory and consultancy activities.

Ticano Group (Pty) Ltd | Maun & Gaborone, Botswana

April 2021 – May 2023

Group Business Analyst | Accounts Officer

- Controlled and maintained a group-wide ERP system, ensuring impeccable data accuracy and unwavering consistency for 4 branches.
- Conducted comprehensive data analytics to strategically determine loan rates and drive key performance metrics for the organization's success.
- Derived and implemented critical KPIs to optimize financial outcomes for a P100 million annual loan portfolio.
- Provided essential support to management by performing end of month tasks, reconciling loans, processing commissions, and generating detailed MIS reports.
- Played a pivotal role in managing critical relationships with bankers, property managers, and other key stakeholders, including creditors
- Managed payment processing for all branches' loans, including local and foreign transactions, and effectively managed cash flows through sales pipelines.
- Stepped in for Group Operations Manager during absences, ensuring uninterrupted business operations and seamless cross-functional collaboration, maintaining high service levels and achieving 100% customer satisfaction.

Ticano Group (Pty) Ltd | Maun, Botswana

August 2021 – April 2023

Branch Manager

- Managed daily operations, overseeing supplies, petty cash and logistics to maintain seamless business processes.
- Supervised and mentored a team of 3 sales representatives, providing guidance, training, and support to achieve monthly business targets.
- Implemented effective sales processes to enhance customer satisfaction and increase client retention rates.
- Achieved an exceptional branch growth rate of over 100% in both 2021 and 2022, driving remarkable business expansion.
- Led the branch to attain the highest sales performance among all branches as of 2022, showcasing strong

leadership and team collaboration.

Ticano Group (Pty) Ltd | Maun, Botswana

January 2021 – March 2021

Sales Intern

- Provided extensive education on company services, promptly resolving client inquiries to ensure a thorough grasp of our offerings.
- Actively participated in driving client outreach efforts, significantly bolstering brand recognition and reputation.
- Facilitated clients in acquiring essential documentation and navigated them through the complete loan origination process.
- Effectively oversaw loan receivables by communicating with clients and coordinating with relevant entities and suppliers.
- Exceeded personal sales targets throughout internship probation period, resulting in successful transition to full-time role and recognition for outstanding sales performance.
